SPECIAL 2nd COLLECTION ON June 19 & 20, 2010

Our Aquinas Catholic Schools System is anticipating a budget shortfall for the fiscal year ending June 30. This is due to two principal factors. The first is that the assessment for teachers' retirement, which was billed to the school system by the Diocesan Finance Office in March, was \$28,000 higher than anticipated. The second is that donations, which make up a large portion of the ACS annual budget, have been less this year even though the number of donors has increased.

In order to make up as much of this shortfall as possible, the pastors of our deanery parishes have agreed to take up a second collection on the weekend of June 19-20. Catholic education is an essential element of our parishes' mission and we hope you will be as generous as possible.

2009-2010 Overall expenses are on track with the annual budget parish subsidies are down \$170,809 (5.8%) since 2006-2007 - total expenses are down \$510,556 (6.4%) since 2006-2007 - staffing expenses (salary & benefits) have increased \$118,701 (2%) since 2006-2007, due to staff reductions. Thank You!
